IBM cloud Account

The screenshot shows the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (punithavennila N's Acc...). Below the navigation bar, the main content area is titled "Dashboard" and includes links to "Edit dashboard" and "Upgrade account".

The "For you" section features a grid of recommended resources:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services. (Getting started, 2 min)
- Explore IBM Cloud Shell**: Try a command-driven approach for creating, developing, and deploying a web project. (Recommended, 10 min)
- Get Started with the CLI**: Install the IBM Cloud™ developer tools, which include the latest IBM Cloud CLI, verify the installation, and configure the environment. (Popular, 2 hr)
- Get Started with Watson Studio**: Get started with using AI and Cloud Object Storage in 15 minutes. (Recommended, 2 hr)
- Get started with Discovery**: Discovery with step-by-step tutorials, deep-dive videos, and complete examples of working code. (Recommended, 2 hr)

On the right side, a user profile dropdown menu is open for "punithavennila N", showing options: Profile, Log in to CLI and API, Privacy, Change theme, and Log out →.

At the bottom, there are three sections:

- User access**: Includes a "Manage users" link and a prompt to "Enter email addresses below to jump directly into the invite user setup!".
- News**: Features a "View all" link and a headline: "Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS".
- Planned maintenance**: Includes a "View all" link and a blue button with a speech bubble icon.
